“WE WANT TO MAKE LIFE COACHING & THERAPY ACCESSIBLE TO EVERYONE ALL OVER THE WORLD!”

Our Desire for this Coaching & Therapist Network

We started this platform because as **Certified and Licensed Life Coaches and Therapists**, we saw the need for an integrated network and a collective of professionals like ourselves to have a platform in which to engage with our peers, share information, research, and best practices, collaborate with on events, research, and findings, and have a consumer portal with which to market, promote, and offer our products and services. In addition, we also saw that Coaches were struggling to get, retain, and maintain a steady flow of clients and we wanted to help them by teaching them how to build a pipeline.

We are honored and especially proud to hold space with others who are helping mankind on purpose along with us.

Our Hope for Mankind

Life is all about love, connecting, and helping mankind on purpose. We want to make Life Coaching accessible, affordable, and achievable for everyone who desires or wants to benefit. We believe that just as everyone should have reasonable access to health care, they should also have access to reasonable self-care. This includes Life and Professional Coaching, as well as Therapists who specialize in the areas of Business & Career, Finance, Health & Wellness, Life & Relationships, Education and Spirituality. It is an absolute pleasure and honor to help others reach their goals, dreams, and desired destinies. Should you have any questions, please do not hesitate to contact us at 347.848.1355 by Telephone during the weekday, or by eMail at [**info@LifeCoachingToday.com**](mailto:info@LifeCoachingToday.com) .

LOCK IN TODAY!. We look forward to building this partnering community together with you!

Sincerely,

Stefany Jones
